

# STOCKHOLMS STADSMISSION

/Crossroads

***Crossroads* is an advice and support centre for EU citizens and third country nationals with a residence permit in another EU country living in vulnerability or homelessness in Stockholm.**

At *Crossroads* you have the opportunity to speak with our staff who can offer support, advice and information about how the Swedish system works and how to establish oneself in Sweden. This information applies to those whom are EU citizen or third country nationals with a residence permit in another EU-country. Furthermore, a large variety of languages are spoken at *Crossroads*, providing the opportunity to receive consultation in numerous translations. We likewise have a job integration team where we match participants to work fields and support them as job seekers.

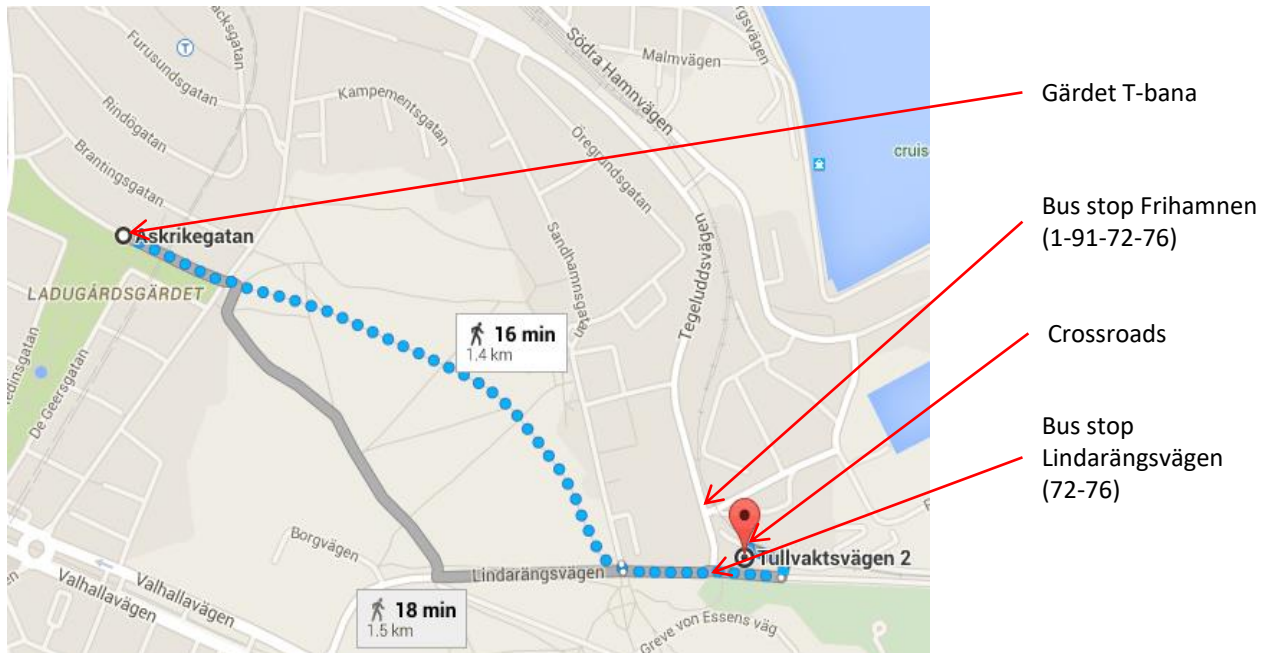

Participants at *Crossroads* are offered free breakfast, access to showers, laundry, change of clothes (if required), various courses and other free services. *Crossroads* also has a separate women's section.
